T·REXTASY
I LOVE TO BOOGIE

Marc Bolan, with his band *T.Rex*, was one of the most flamboyant and charismatic stars of the original glam rock era. With *Bolan's* special ingredient of Rock-a-Boogie songs throughout the 1970s including *Telegram Sam* and *Jeepster* he was able to obtain what would be yet another Top 20 record in 1976 that has since become one of the most memorable and everlasting signature tunes, *I Love to Boogie*.

T.Rextasy have now been performing around the world for over 20 years, a career that ironically out lives Marc's very own *T.Rex*. The band is now accepted as the world's only official live tribute band dedicated to *Marc Bolan & T.Rex*, and the only band endorsed and approved by Marc Bolan's family, estate, original ex-members of *T.Rex*, and Bolan's catalogue management.

Truly a rock 'n' roll concert for all ages - If you would like to know exactly what a Marc Bolan concert was like in the 1970s, this show is for you!
