Menopause The Musical UK Tour www.menopauseuk.com

Don't miss the hysterically funny and uplifting **Menopause the Musical** as it heads out on a UK-wide tour, packed full of sharp one-liners about memory loss and hot flushes and backed by an instantly recognisable soundtrack of comic parodies of pop classics.

This all-singing, all-dancing comedy is set in a department store where four women with apparently nothing in common meet, by chance, at a lingerie sale.

The all-star cast features **Cheryl Fergison** (*EastEnders*), **Maureen Nolan** (*The Nolans*), **Rebecca Wheatley** (*Casualty*) and **Ruth Berkeley** (*Penny Dreadful*).

The women make fun of their lives as they go through 'The Change' - the forgetfulness, mood swings, wrinkles, night sweats and chocolate binges. They soon bond as they realise that the menopause is no longer *The Silent Passage*, but an unavoidable stage in every woman's life.

The show has played sold out-out tours across the world so call your girlfriends and book now for the ultimate girls night out.

Betty O'Barley and Harry O'Hay are excellent scarecrows (they scare a lot of crows). Harry loves Betty, and Betty loves Harry, so they decide to get married and Harry sets off to search for their wedding day essentials including a dress of feathers, a bunch of flowers and a necklace made from shells.

However, when the farmer notices he is missing a scarecrow, he replaces Harry with the devilishly smooth but dangerous Reginald Rake. Dashing, daring and ever so cool, can Reginald persuade Betty that he is the scarecrow for her? Will Harry make it back in the nick of time before Reginald ruins their special day?

This truly heart-warming adaptation of **Julia Donaldson & Axel Scheffler's** bestselling book is bursting at the seams with **Scamp Theatre's** inimitable style (*Stick Man, Tiddler & Other Terrific Tales*) and promises wit, drama, and wedding bells!

"By far the best company to bring Russian opera to British audiences" Stage Talk Magazine

**RUSSIAN STATE OPERA PRESENTS**

**MADAMA BUTTERFLY**

Sung in Italian with English surtitles

PERFORMED TO A LIVE ORCHESTRA

"Russian State Opera enjoyed a well deserved standing ovation!" ★★★★★ Daily Post

Music by Giacomo Puccini. Italian libretto by Luigi Illica and Giuseppe Giacosa.

No opera can match the tragedy and sorrow of Puccini's *Madama Butterfly*.

Set in Japan at the turn of the century, *Madama Butterfly* is among the most colourful and exotic of all operas, and from its theme of noble self-sacrifice spring melodies that grip your heart.

It is the story of a doomed love affair between an American naval officer and his young Japanese bride whose self-sacrifice and defiance of her family leads to tragedy.

Sad and tragic it most certainly is, yet the compelling tale of *Madama Butterfly* remained Puccini's favourite opera - his supreme theatrical achievements also gave the world its most sublime and beautiful arias in history - *One Fine Day* and *Love Duet*, as well as the *Humming Chorus* which has been popular with opera-goers for over a century.
